

How to make a Fierce Fish!

1. Print off the attached fish template.
2. Decorate and colour the whole fish in any way you like - be as creative as you can!

3. Fold along the horizontal dashed lines on the top and the bottom quarter of the page. Fold the top and the bottom quarter into the middle, so Fierce Fish becomes Friendly Fish!

Have fun scaring people with your Fierce Fish!

We would love to see your creations! Share a pic with us on social media!
